

Continuing Your Journey -Module 5

Things to do

- Find out about an Aboriginal and Torres Strait Islander medical or legal service or other community organisation operating where you live. Learn about the history of the organisation — many organisations have their histories on their websites. See what support you can give. Offer to work voluntarily.
- Read the latest report on Closing the Gap. You can also read the shadow reports published by the Australian Human Rights Commission as part of the Close the Gap campaign.
